## Garrard Chief. 1835

Bay stallion 15-3 hands, foaled summer 1902, said by good judges to be one of the finest stallions living. He is a perfect image of his great sire Chester Dare 10. Mr. J. C. Graves who raised and showed Chester Dare 10 says it is almost impossible for two horses to be more alike than Garrard Chief 1835 and Chester Dare 10. Col. W. A. Barriger of Shelbyville, Ky., has judged this horse at the Texas State Fair several times says he is as fine a horse as he ever saw. Garrard Chief won the championship of the South West at Dallas in 1908, 1909, 1910 and during that time his colts won more than any other herd shown there in saddle classes. At Fort Worth Horse Show in March 1910 Garrard Chief won first in breeding class for saddle stallions and age over 15 good ones, he also won at same place first for five-gaited saddle stallion mare or gelding. He will make the season of 1911 four miles from Stanford on Hustonville pike at \$25 to insure living colt. Mares grazed \$2.50 per month. Care taken to prevent accidents but not responsible should any occur.

## Hanna's Green Seal "THE MADE-TO-WEAR PAINT"

Has stood the test of time and has been improved in quality with the  
passing years.  
Many brands of paint are offered for sale and quite often careful scrutiny is not  
given the subject with reference to the quality of the paint to be used.

EXPERIENCE IS A GOOD TEACHER. TEST THE QUALITY.

It is a good idea to learn the composition of the paint you intend to use. There  
is a difference.

The printed formula appears on every package  
of Hanna's Green Seal Paint.

This is an evidence of good faith and attests the confidence the makers have  
in their product.

ALLEY GREGOR is one of the best trotting Stallions in Kentucky.  
He has a lot of style and finish and it is a great acting horse. Don't wear  
any boots, just 9 ounce shoes. He ought to make a great sire. His oldest  
colts are coming two's and show great speed and action. Any one wishing  
to see one of them can do so on the Lexington track where they are now  
in training. This is a good chance for the people of Lincoln County to  
breed into the best families of the trotting blood. Look this horse's breed-  
ing over and see how many they have in the list both sire and dam. This  
great trotting Stallion will make the season of 1911 at my stable in Lan-  
caster Kentucky.

ral style and all round action, extreme  
finish, bone and substance. He has

## Don Varrick

This magnificent bred young stall-  
ion will make the season of 1911 at  
my stable near Stanford, Ky., on the  
Shelby City pike at \$15 to insure a  
living colt. Don Varrick is 16-2 hands  
a beautiful chestnut, short back heavy  
bone in fact the highest type of the  
trotter and perfect disposition. He is  
by the great Onward Silver 2:05 1-4,  
that won the \$5,000 Transylvania in  
a seven heat race in 1902 and the same  
year won the \$10,000 Bonner Memorial  
and the M. and M. all in broken heats  
and sold for \$21,000 and later for \$25,  
000. Don Varrick is bred exactly like  
Spanish Queen that won the \$5,000  
Transylvania in 1908 making a re-  
cord of 2:07 and was classed as one  
of the four, being one of the greatest  
money winners on the grand circuit  
in 1908.

Onward Silver is by Onward, one of  
the greatest and best sons of George  
Wilkes Onward's dam was two dam of  
Director, the sire of that great family  
of trotters and pacers. Don Varrick's  
1st dam was by Wilkes Boy, by George  
Wilkes a full sister to The Way 2:15  
1-4 and half sister to Madeline Patch-  
on the dam of Rubber 2:10, Winches-  
ter 2:19 3-4, Billy Wilton 2:20, and  
Miss R. 2:30 2nd dam Mary by Hogg's  
Grey Eagle the dam of The Way and  
Madeline Patchen.

Don Varrick's dam produced Dr.  
Conner, that placed a public half mile  
on the Lexington track at 16 months  
in 1:08 3-4 and sold to N. W. Hub-  
binger of New Haven for \$1,000 she also  
produced Maggie Igo, that trotted a  
mile on the same track at 16 months  
old in 1:11 and sold for \$500. Don  
Varrick is fast game and always on  
the trot, very rarely ever leaves his  
feet. In 6 weeks handling last fall he  
trotted a quarter on half mile track in  
34 1-2. See him in 1:10 and the  
note in 2:27 1-2 on the outside of  
track. Please note the rich inheri-  
tance of speed on both sides, not a  
missing link for generations. Bred to  
this fellow and you can't miss the  
four things every breeder looks  
for, size, disposition, speed and looks.  
See him before looking your mares.  
Season money due when mares are  
parted wit or bred to another horse.  
Mares kept at 10 cents per day and all  
car taken, will not be responsible for  
accidents or escapes. Don Varrick  
is a 2:10 trotter if he had the proper  
handling.

CLIFTON AND RUSSELL.

Clifton is a black jack with light  
points, 5-years-old last September, 15-  
1-2 hands high with a matchless  
head and ear. Well set on a ransy neck  
has plenty bone and substance and as  
a breeder he is not surpassed.

RUSSELL.

is a black jack with light points, 5-  
year old last August, full 15-3 hands  
high with as much finish and action  
as a horse can be a breeder he is the  
equal of any jack. Both of these  
jacks will serve mares at \$10 to in-  
sure a living colt. Trading the mares  
forfeits the insurance. Care will be  
taken to prevent accidents, but will  
not be responsible should any occur.  
Jennets will be cared for after June  
1st, at \$20 to insure a living colt.

horse that sold for \$350 and of three

Sed. And Clarence Tate refused \$450  
for a pair of 2-year-old fillies by him.
